SUMMARY

A self-motivated, adaptable, and continuously learning Cabin Services Director with over 10 years in the Aviation Industry in Qatar, looking to transition back to the education industry utilizing all knowledge, communication and management skills acquired throughout the years.

EXPERIENCE

QATAR AIRWAYS

DOHA, QATAR
09/2018 – Current

Cabin Services Director

- Responsible for the optimal operation of each flight, ensuring the safety and wellbeing for all passengers and crew.
- Responsible for documenting and reporting all flight details, security, and medical incidents with HQ.
- Promoting a healthy working environment motivating each cabin crew to flourish, grow and continuously improve their performance and service towards our customers.
- Regularly selected to lead high profile VIP flights for unique events.

Cabin Senior

- Continuously improved the performance and competitiveness of the cabin crew team and the service they provided to our customers through leadership and management of cabin crew.
- Ranked 2nd scoring 98% in the Cabin Senior selection assessment among all eligible candidates.

09/2015 – 09/2018

F1 Premium Cabin Crew

- Provided an outstanding customer service, by creating an environment that impressed our Premium Class customers, through service and by recognizing their individual needs.

F2 Economy Cabin Crew

- Provided a consistent and outstanding customer service to all our customers to increase their loyalty and establish the reputation and image of Cabin Crew as a distinct competitive advantage for Qatar Airways.

05/2013 – 09/2015
